I am writing to tell you how much I depend on KLOVE in my day to day life. I really enjoy the commercial free format, and I am a monthly supporter. As well as hearing national news and information, I can stay abreast of Christian activities in my local area on KLOVE. Often, this is the only place I can learn of the activities of churches in my area. The music is wonderful, safe to listen to even with children around. It would be devastating if my local KLOVE station were to disappear. KLOVE's message and music are uplifting, encouraging and helps me face each day with hope and optimism. Please let KLOVE continue as it has in the past. KLOVE has become a very important part of my and my family's life! Thank you and God Bless!
